

21KM FUN RUN/WALK

RUN/WALK Starting on the NSW side of the Swan Hill bridge runners will run along the dirt track past Pickering's Transport, past the Murray Downs Homestead and continue on until they turn right onto Murray Downs Drive and head towards the Murray Downs Golf & Country Club. Once they reach the Murray Downs Golf & Country Club runners will do a U-Turn and head all the way back to the Swan Hill bridge. After crossing the bridge they will run underneath the bridge and head north towards the wetlands along the River Walk footpath. Runners/walkers will then go around the Wetlands and across to the sealed road where they will turn right and run down River Road. They will run along the length of River Road for 3km until they reach the marked turning point. At this point they will do a U turn and run back along River Road to the Wetlands. From the Wetlands they run back to the river side & head back towards Riverside Park, past the 10 steps, into the Big 4 Caravan Park, through the caravan park and exit via the gate at the south end onto Monash Drive before entering into the Pioneer Settlement. They will then run/walk past the Lower Murray Inn, through the main street of the Pioneer Settlement and out the southern gate near the Gem. They will run/walk back to the Riverside Park via Monash Dr, past the Riverside Park Cafe, along the gravel track past the skate park & fountain and finish in front of the sound shell. Distance 21km.
